*activities*

The 1974-'75 Band completed the year with a list of accomplishments. In marching, North Andover was unequalled by any other band in the area in both precision maneuvers and musicianship. Their skill was developed under the super leadership of director Frank Savory and drumperson Constance McBride. The concert band gave presentations at the Liberty Tree Mall and at retirement settlements during the holiday season, as well as a series of evening concerts at the school throughout the year. Included, too, in their heavy list of activities were parades, jamborees, and competitions within the state and an exchange concert with another high school band in New England. The hard work this group devoted to their performances on and off the football field was evident in the way they sounded and were appreciated by their audiences. Hey, all you NA fans, come on and clap your hands!

Karen Good

A new addition to the entertainment facet of football was the flag squad performing eye-dazzling routines with their multi-colored flags. The imagination of their leader, Karen Good, seemed limitless as she developed each routine. The team effort was unbeatable, and the girls' eagerness was rewarded as they succeeded in displaying each routine to the delight of the audiences.

We knew they could swing a mean baton, but the majorettes have proved once again that they are a super group of dancers as well. With Lois Lachapelle, their captain, and Mrs. Beverly Taylor, their director, choreographing some intricate routines, the majorettes performed at each half-time show with spirit and skill.

## *On the air!*

WNAH, the high school's own radio station, continued to perfect its techniques in radio broadcasting. Various formats were explored, including local and national news reports. ## *Sterling Masterpieces*

The silversmiths of the Jewelry Club continued to create this year. The metal shop never saw so much artistry as when, each Tuesday afternoon, Mrs. Merrick and the club members hammered, soldered, buffed and filed their pieces. Each person's final product grew into something unique in silver jewelry.

## Cameras, films, and machines!

For those of us with eyes and ears, the Audio-Visual department brought slides, tapes, and movies into our classes. True, they barely made it through the elevator door while carrying a video tape record, recorder, seven slide projectors, three tape recorders, and two replacement bulbs for the movie projectors that Mr. O'Neill, Mrs. Allen, and Mrs. Lafond all signed up for on the same day. But this group managed to keep all equipment in working order and all teachers on speaking terms.

The photography club, preservers of the past, had their own good times in the darkroom! They explored their talents in film and learned new techniques in cameracraft.

## Record-breaking Victory!

Once again the Class of '75 was able to emphasize its super coordination with its victory on Field Day 1974. The champions held fast despite three classes of tough challengers. But the cleverness, agility, stamina and brute strength so important to competition carried the 75-ers to their second Field Day win in two years.

The chorus took their cue "make a joyful sound" from their director, Mr. Richard Williams, in his first year at North Andover. With the devoted interests of each chorus member supporting them, the singers were able to perform several concerts throughout the year.

## Bridging the Gap

A teacher is more than just an employee of the school system. He can be a good friend, a good listener and an experience sharer if only the student makes an effort to communicate. The teacher — Advisee Committee worked hard all year to promote understanding between students and teachers. After assigning each student to an adviser, the committee developed the program to include scheduled meetings between students and teachers. The committee tried to make teachers more accessible to the student body both professionally and informally.

Karen Licare

Front Row: Mrs. Scott, Mr. Stocking, Linda Gundal, Mindy Warner. Back Row: Marsha Elias, Claire McCarthy, Mr. Giordano, Karen Hale, Mrs. Moulton, Mr. DeSimone.

The student advisory committee was more active than ever this year in communicating students' ideas to the school committee. Its first success, getting some special privileges for Seniors spurred the committee on to fight for a smoking area for the Student body. The committee should be proud of themselves for the things it has accomplished for the students of NAHS.

## Voices & Opinions Heard

Jan Sullivan, Jill Wilkison, Karen Brown

The Student Council worked hard at its most active year ever with Claire McCarthy and Mr. Stephen Bucu heading it. Monthly programs were planned and assemblies were held regularly. Through the efforts of the council, the Boston State Gymnastics Team came to NAHS for a demonstration. Also, the rock group, Free Fare, was secured by the council for a performance for the student body.

The Spanish National Honor Society was busy this year tutoring students that needed help with the Spanish language. Chosen on the basis of their skill in speaking and writing Spanish, the students shared their talents in the form of service projects. The Spanish Club, students sharing an interest in that language and culture, participated in the international happenings that occurred throughout the year and held social functions as well.

## Smile — if you've got one

What a year to remember! Life finally became organized in the year-old high school, and it was the Yearbook staff's job to capture that life in words and pictures. Hours spend on long afternoons, evenings, weekends, vacations culminated in the production of an anthology of memories that will last forever. Under the direction of co-editors Marie Hennelly and Lisa Melvin, and adviser Mrs. Patricia Olken, the staff toiled diligently to meet deadlines while retaining their sanity.

## Building Future Careers

The business club is always looking to the future. They visit various companies in the Merrimack Valley area, such as Western Electric, and observe what goes on in the business departments there. Ver-r-ry Interesting! Especially if you are planning a future career in business. But all work and no play does not make the business club dull. They have frequent get-togethers, and sports activities to occupy their few extra minutes.

The American Field Service rejoiced in the year that they were able to send two students overseas. North Andover also played host to a student from Finland, Raija Hietava. Kim Nevers, who spent the summer in Yugoslavia, and Karen Good, who visited Turkey, led the group in selling cards and stationery, baked goods and raffles, all so that this spirit of international brotherhood can be carried on for another year.

## Spirit Unlimited

Spirit, promoted by the Pep Club, helped to make the football and basketball seasons just a bit more exciting this year. Always busy creating posters for each game, selling spirit shakers and pins, the Pep Club brought out a loyalty in the student body that supported our teams to victory. Fight, score, win!

Our group of stratigists were successful once again in a year filled with victorious chess matches against local schools. The group practiced often to sharpen their skills of insight and concentration. Their efforts were rewarded. Not only did they win difficult matches, but also enjoyed themselves because they are devoted to the intricate game of chess.

Our IMC is an important facet of the school, and the library aides are vital in helping the IMC to function effectively. By checking out books and keeping bookshelves in order, these people make it easier for you to do your history report. It's nice to know there's help around when you need it.

## Paris — here we come!

Cultural growth was the goal of this year's French Club under the direction of Miss Lorraine Lostimolo and Jackie DeFusco. Their activities began early in the season with an exotic international banquet. The club sponsored speakers during "International Week" and brought a theatre troupe to NAHS for a presentation of the play "Huis Clos." By the end of the year, the French Club members had more "savoir-faire" than any other group in the school. *C'est la vie'.*

## Hot off the press!

This year those typewriters were busier than ever. The 1975 Squire staff labored at all hours to produce a newspaper with professional style. Trying various techniques learned at an editor's conference in New York during the summer, Rosie Brien and Tom Rockwood led their staff through a worthwhile year of printing. This year's Squire was full of imaginative contests, editorials with substance, and timely feature news articles covering subjects such as college applications and women's sports. The work put in by the earnest staff members was rewarded by the enthusiasm of the student body as they bought and read each issue. Oh, for a year's subscription!

## *Calculate, compute, comprehend*

With three down, three to go and two minutes left in the period, NAHS is pulling a close second. It may sound like a sudden death play-off, but it's really the Math Team putting their talents together. This year they have achieved more successes than any other Math Team in past years. With fresh, eager brainpower in freshmen and sophomores to support the steady, logical (slower) minds of the upperclassmen, this team promises to do well for the next several years.

*sports*

When the cheerleaders say, "Beware!" they mean it! Carrying off the Cape Ann League Cheering competition easily, the spirited group set their sights on other competitions throughout the year. This year, there were two different squads: one for fall sports and one for winter sports. This new arrangement enabled more girls to try out for cheering, and it kept the "regulars" in top form. "All right!"

## *Grid squad ties season*

Football is on the way up at NAHS. The padded Scarlet Knights pulled off a 5-5 season, including a 25-2 thrashing of Pentucket on Thanksgiving Day. Leaders included co-captains Mike Stewart and Mike Chory along with Greg Edwards, Wayne Alexander, and Danny Brucato. On defense, the team included five all-stars on a unit that allowed only 8.1 points per game. Chory, J. Lafond, and Tom Donovan earned all-Cape Ann League honors. The JV squad sparkled, winning the Cape Ann League title with a 9-1 record. The team shut out their opponents in eight of their ten games. Spark plugs included quarterback Mike Chaput and wide receiver John Liccardi, along with the big defensive and offensive lines which got the job done.

The "Lady Knights" of the Field Hockey team set out to improve upon last year's record. Under the leadership of co-captains Donna Albee and Lee Marchisio. The girls practiced and kept their spirits up, despite their overall record of 4-5-2. Coach Pamp had nine returning starters and filled out the team with seven experienced players from the JV squad. Offensive standouts were Donna Albee and Vicki Shalhoup while Jerry Roberts, Sharon Greenleaf, Barb Plant, and Karen Kelley did an outstanding job defending for NA.

Coach Bob Licare's Scarlet Knights dashed to a 25-1 record, defeating Waconah Regional to win the Division II State Championship for the second straight year. The Knights defeated Hamilton-Wenham to qualify for the Tech Tourney, making their 18th appearance there in 19 years. Poise, determination and drive marked this outstanding squad.

All-scholastic guard Dick Licare, the team's only returning starter, led the Scarlet Knights in scoring, assists and steals. All-league Tom Teichman was top rebounder and second high scorer. Significant contributions were also made by Brian Smith, Ron Rudis, Tom Enright, Mike Heafy (all-star, CAL), Robert Redman and Willie Morgan.

Outstanding regulars included Mike Chaput, co-captains Tim Keegan and Rick Haltmaier, ball handler Dan Chaisson, and Chuck Fiorino. Jack McEvoy led the team in scoring before sitting out the second half of the season with an illness. Barry Noebel was a plus coming off the bench.

## *Frosh hit the boards!*

The freshmen basketball team got off to an excellent start, capturing victories in 13 of their first 15 games. The only losses for the frosh came at the hands of Masconomet and Ipswich.

The team was sparked by high scorer Mike Laorenza, and second high scorer Bill Smith. Bill Sansoucie, Kevin Callagy and Jim Cassidy rounded out the starting lineup, while Tom Erle and Will McDonough also saw some action. With a freshman team as good as this one, North Andover is sure to keep up its winning tradition in basketball.

Through lots of hard work and serious sportsmanship, the girls' basketball team has proven conclusively that girls' sports are no joke. They had nothing less than a fantastic season, finishing with a record of eleven wins and only four losses. Coach Pamp led the team, paced by co-captains Jerry Roberts and Mary Ellen Carney, but it was real team effort that brought the girls victoriously through the year.

## Face off!

Fast action and exciting defense marked the third year of hockey at NAHS. The team hung near the top of the Cape Ann League throughout its most successful season. Though the team missed the playoffs, it was clear that the Knights had improved in every respect over their first two seasons.

Sparking the team were tri-captains Peter Caron, Mark Esposito and Fran Murphy. Esposito was one of the top scorers on the squad while Caron did a superlative job in the nets. Murphy got off to a fast start before being sidelined with an injury. High scorers Dan Brucato and Dan Noone added support to Coach Walter Fitzgerald's club.

A pollution-free, resource-conserving answer to the Earth's energy problems by the year 2000? Raytheon, together with three other companies, is currently at work on one solution that would use an inexhaustible energy source — the sun.

With satellite power stations, the sun could literally become an electrical powerhouse for the Earth. Such stations, more than 22,000 miles in space, would gather solar energy, convert it first to electricity and then to microwave energy for transmission to Earth.

Satellite solar power — not just a designer's dream. It may well be a reality by your 25th reunion.

North Andover, Massachusetts  
Incorporated 1646

Located in Essex County. Until 1855, when it was incorporated as a separate town, it was the North Parish of Andover (founded in 1646) only twenty six years after the landing of the Pilgrims. The original settlement was called Cochichewick. The name Andover first appearing in 1644 and the town being incorporated in 1646. Acadian exiles found shelter here.
